

Victim contacts Responsible Employee

*Every victim has the option to report to a confidential resource.*

Responsible Employee/Victim contact Title IX

Title IX offers access to support resources and options for moving forward with a complaint, including interim measures, investigation, and safety planning. Title IX also encourages reporting to police.

Informal Complaint Option

Complainant does not wish to proceed

Interim measures are offered to all reporting parties, regardless of the desire to proceed.

Formal Complaint

When the accused party is a student:  
Title IX investigates and collaborates with Student Conduct.

When the accused party is an employee:  
Title IX investigates and collaborates with HR.

When the accused party is a faculty member:  
Title IX investigates and collaborates with appropriate Dean/Department.
